Scenario Notes

1. All British troops are classed as Veteran.
2. The 7th Mounted Brigade can enter on the far left of the British table edge on Turn 1, or can attempt to perform a flank march from Turn 3 onwards along the left hand table edge.
3. The 53rd Division is available from Turn 1 and enters table anywhere in the area marked on the map.
4. The Camel Corps Brigade is available from Turn 1 and enters on the far right of the British table edge. They cannot charge enemy units or positions when mounted and must dismount before going into action.
