### Notes:

1. Turkish forces are subject to reduction in troop numbers as per GWSH rules page 56.
2. All Turkish troops are classed as Regular and all units on table at the start of the game are on Defend orders.
3. The Turks have 48" of level one wired entrenchments at their disposal. These can be used as a continuous line or broken down into smaller sections.
4. The Turkish player sets up after the British have drawn their command arrows.
5. The 19<sup>th</sup> Division can set up anywhere up to 30" in from the Turkish table edge.
6. Dhaheriye is a town sector and the 12<sup>th</sup> Depot Regiment initially set up in and around the town.
7. The 3<sup>rd</sup> Cavalry Brigade can enter anywhere along the Turkish table edge from Turn 4.
8. Reinforcements in the shape of the Hebron Regiment are available from Turn 8 and will enter along the Hebron road on the Turkish table edge.
